ANNUAL GENERAL MEETING

Followed by:

The work and achievements of the U3A Stilbaai Photography Group.

Richard Webb

Richard has been passionate about photography since his school days, first developing pictures himself, later learning the art of editing digital pictures on his computer.

The U3A Stilbaai Photography Group has 24 keen members ranging from amateurs to a few more experienced photographers.

ALGEMENE JAARVERGADERING

Gevolg deur:

Die werk en prestasies van die U3A Stilbaai Fotografie Groep.

Richard Webb

Richard het sedert sy skooldae 'n passie vir fotografie. Hy het sy eie foto's ontwikkel, en later die kuns aangeleer om foto's op 'n rekenaar te redigeer.

Die U3A Stilbaai Fotografie Groep het 24 lede, van amateurs tot meer ervare fotograawe, maar almal baie ywerig.

The presentation is in English.

THIS AND THAT...

Karel Nel's talk on the nuclear reactor that was never built took us back to the mid 1900's. He described the development of nuclear power, in particular in South Africa; with its rich uranium resources South Africa was at that time at the forefront of nuclear research and development – the result was that we had a large number of very experienced and knowledgeable nuclear scientists. The nuclear reactor at Gouriqua was one of several being planned; but the programme was curtailed in the late 1980's due to financial constraints.

U3A Stilbaai se Algemene jaarvergadering word op 29 Julie 2019 in Die Waenhuis gehou. Die voorsitter se verslag en die voorlopige Finansiële State vir die 2018/19 jaar is beskikbaar op ons webtuiste: www.u3astilbaai.org (gaan na die Administrasie seksie, rol af want die skakels na die verslae is onder op daardie blad). Aangesien ons ouditeur op pad Europa toe is, kon ons nog nie die Finansiële State laat audit nie, die audit sal na sy terugkeer in September gedoen word.

Daar is nog plek op die komitee indien u belang stel, laat ons asseblief weet voor 19 Julie. Verder soek ons ook vrywilligers wat sal help met die uitsit van stoele vir ons maandelikse vergaderings in Die Waenhuis, asook wegpak na die vergadering. Die saal word Sondae benut vir etes, en die personeel ruim op 'n Maandag oggend op, maar het nie tyd om die stoele uit te sit vir ons vergadering nie.
