DIE STILBAAI MUGGIE DEEL II
Deon Begemann

Dr Begemann is 'n entomoloog wat, na 10 jaar by Onderstepoort, vir 33 jaar lank in die sitrusbedryf werksaam was. Hy en Ronelle het op Stilbaai kom aftree, en hier loop hy hom vas in Stilbaai se bytende muggie. Soos enige goeie wetenskaplike het Deon onmiddellik meer probeer uitvind oor hierdie muggie. In sy praatjie vertel hy ons meer van hierdie formidabele klein insek.

In die tweede lesing wat handel oor die muggie, bespreek hy die broeiplekke van die larwes en papies en sy bevindinge aangaande die gedrag en aktiwiteit van die muggie oor drie seisoene. Die beheer van die plaag sal bespreek word. Die praatjie is in Afrikaans met die PowerPoint in Engels.

Vergadering reëlings
Vir hierdie vergadering moet ons voldoen aan Covid-19 regulasies. Die volgende sal van toepassing wees:

'n Wyn-loting sal wel gehou word. Bring R5 saam vir 'n kans om 'n bottel baie goeie wyn te wen. 'n Nuwe R10 Gin-loting sal ook weer plaasvind soos in die verlede. Fondse word ge-oormerk vir die Jagersbosch-fonds en die jaarlikse lisensie vir die U3A-rekenaar.

MONTHLY TALK

Die Waenhuis, Jagersbosch, Stilbaai West

THE STILBAAI MIDGE PART II
Deon Begemann

Dr Begemann is an entomologist who, after 10 years at Onderstepoort, worked in the citrus industry for 33 years. He and Ronelle retired to Stilbaai, and came into contact with Stilbaai's biting midges. Like any good scientist, Deon immediately endeavoured to find out more about this midge. In his talk he tells us more about this formidable small insect.

In the second talk on the midge, he discusses the breeding grounds of the larvae and pupae and the results of a three year study on the behaviour and activity of the midge. The control of the pest will be discussed. The talk is in Afrikaans with the PowerPoint presentation in English.

Meeting arrangements
For this meeting we must comply with Covid-19 regulations. The following will apply:
The numbers allowed in the Waenhuis are limited to 50 people. However, there are room for more in the foyer of the Hall.

All persons attending must wear masks. Please wear your name tag. On arrival your temperature will be taken and noted – any person with a temperature of 37.8°C or higher will not be allowed to enter.

A wine draw will be held. Bring R5 for a chance to win a bottle of very good wine. A new R10 Gin draw will also take place as in the past. Funds are earmarked for the Jagersbosch fund and the annual license for the U3A computer.
