DIE LEWE EN WERK VAN LISE MEITNER – DIE SPLYTING VAN DIE ATOOM

Johan van Staden

Die praatjie is 'n terugblik op die opwindende tydperk in die geskiedenis van die natuurwetenskappe aan die begin van die 20ste eeu. Die sentrale figuur is die Oostenrykse fisikus Lise Meitner. Hoewel die ontdekking dat die Uraan atoom gesplyt kan word deur historici aan haar toegeskryf word, het sy nie dadelik daarvoor erkenning gekry nie en moes toesien hoe ander haar werk gebruik om die atoombom te maak. Die ontdekkings en gebeure speel af teen die agtergrond van die eerste en tweede wêreld-oorloë.

Johan van Staden is Emeritus Professor van die Fisika Departement van Universiteit Pretoria, hy woon sedert 2019 in Stilbaai.

THE LIFE AND WORK OF LISE MEITNER – THE SPLITTING OF THE ATOM

Johan van Staden

The talk looks back at the exciting period in the history of natural sciences at the beginning of the 20th century. The central figure is the Austrian physicist Lise Meitner. Although historians acknowledge that she discovered that the Uranium atom can be split, she did not receive recognition at the time and saw others using her work to develop the atom bomb. The discoveries and events takes place against the background of the first and second world wars.

Johan van Staden is Professor Emeritus of the Physics Department at Pretoria University, he has been living in Stilbaai since 2019.

DIE U3A STILBAAI JAGERSBOSCH FONDS

Toe U3A Stilbaai in 2015 gestig is, het ons met Jagersbosch onderhandel om gratis Die Waenhuis te benut aangesien die aktiwiteite wat U3A aan ouer mense voorsien, die funksies van Jagersbosch Gemeenskapsorg komplementeer. Die praatjies en groep aktiwiteite wat U3A aanbied, moet deur Jagersbosch aan sy lede voorsien word, maar hulle het nie die fondse of personeel nie.

Die ooreenkoms was dat U3A Die Waenhuis gratis kan gebruik, en dat Jagersbosch ons aktiwiteite as 'n uitbreiding van hul eie dienste beskou; hulle gebruik ons bywoningsyfers vir addisonele motivering vir fondse van die owerhede.

Om Die Waenhuis meer bruikbaar te maak, het U3A onderneem om fondse te voorsien om die fasiliteite in Die Waenhuis op te gradeer en te verbeter. Ons het 'n "Jagersbosch Fonds" geskep, en in die jare sedert Augustus 2016 het U3A Stilbaai meer as R35 500 aan Die Waenhuis spandeer. Dit sluit in 'n dataprokjektor, sedertdien vervang met 'n beter model waarvoor ons die helfte betaal het, die installering van die klankstelsel, en vele ander kleiner verbeterings in die saal. Meer detail oor die Jagersbosch Fonds is op ons webtuiste: www.u3astilbaai.org.

By elke maandelikse vergadering loot ons 'n bottel wyn vir ons Jagersbosch Fonds, ons waardeer jul gereelde deelname en is dankbaar vir julle ondersteuning. Die fonds se balans is tans net onder R2 100.

THE U3A STILBAAI JAGERSBOSCH FUND

When U3A Stilbaai was established in 2015, we negotiated free use of Die Waenhuis as the activities provided to older people by U3A, complements the functions of Jagersbosch Community Care. The talks and group activities offered by U3A, should also be provided by Jagersbosch to their members, but they do not have the funds or the personnel.

The agreement was that U3A can use Die Waenhuis free of charge, and that Jagersbosch view our activities as an extension of their own services; they use our attendance figures for additional motivation for funds from the authorities.

To improve the usefulness of Die Waenhuis, U3A undertook to provide funds for improving and upgrading the facilities in Die Waenhuis. We created a "Jagersbosch Fund", and in the years since August 2016 U3A Stilbaai has spent more than R35 500 on Die Waenhuis. This includes a data projector, since then replaced by a better model for which we paid half, the installation of the sound system, and many other smaller improvements in the hall. More details about the Jagersbosch Fund is on our website: www.u3astilbaai.org.

At each monthly meeting we raffle a bottle wine for our Jagersbosch Fund, we appreciate your regular participation and thank you for your support. The fund balance is currently just under R2 100.

JAGERSBOSCH IN KRISIS SITUASIE

Daar bestaan daar reeds jare lank 'n baie goeie samewerking tussen U3A Stilbaai en Jagersbosch, die diensorganisasie sonder winsmotief wat uitgebreide voedselsorg en gesondheidsorg dienste in Stilbaai en

JAGERSBOSCH IN CRISIS SITUATION

For several years there has been a very good working relationship between U3A Stilbaai and Jagersbosch, the non-profit service organisation providing extensive health care and nutritional care services in Stilbaai and

in Melkhoutfontein lewer, en ook 'n sorgfasiliteit het op Melkhoutfontein waar 'n klompie persone gehuisves en versorg word.

Jagersbosch het onlangs 'n baie ernstige finansiële terugslag ondervind toe hul groot staatskontrak sonder voorafwaarskuwing met 70% besnoei is. Die impak daarvan het die voortbestaan van Jagersbosch bedreig, en die direksie was verplig om 'n drastiese omkeerstrategie te bedink en, na konsultasie, in werking te stel. Dit behels koste-besnoeiings en nuwe inkomste genererings aktiwiteite.

Ongelukkig moes Jagersbosch nou een van sy Departemente, die Gemeenskapsorg departement, sluit. Die twee professionele persone wat daar werksaam was het die afgelope paar jaar uitmuntende diens gelewer en het omgesien na die sosiaal-maatskaplike behoeftes van lede. Ander noodsaaklike poste wat vakant is, word nou ook nie weer gevul nie.

Ons besef dat die staat al hoe meer onder fondsedruk kom, en dit is duidelik dat Jagersbosch net tot almal se voordeel kan voortbestaan deur die gemeenskap se ondersteuning. Jagersbosch is 'n organisasie sonder winsbejag en skenkings is belasting aftrekbaar. Jagersbosch se kantoor sal die nodige sertifikaat uitreik vir 'n welwillendheids skenking.

Melkhoutfontein. It also maintains a care facility in Melkhoutfontein providing accommodation and care to a few individuals.

Jagersbosch recently had a severe financial setback when their large state contract was cut by 70% without any forewarning. The impact of this cutback threatens Jagersbosch's continued existence, and the directors were forced to develop a drastic turnabout strategy and implement it after consultation. This involves budget cuts and creating new income-generating activities.

Unfortunately Jagersbosch was forced to close one of its Departments, the Community Care department. The two professionals employed there for several years have delivered outstanding service in supporting the social welfare needs of members. Other vacant posts are also not being filled now.

We realize that financial pressures on the state is increasing, and it is clear that Jagersbosch can only survive to everybody's benefit through the community's support. Jagersbosch is a non-profit organisation and donations are tax deductible. Jagersbosch office will issue the required certificate for any donation.
