

## U3A Stilbaai News Letter: No. 7, January 2016

### General Meetings (GM):

Our next GM will be on **Monday, 25 January 2016 at 09h30 in the Waenhuis**

#### **Our speaker for January:**

Next Monday's talk will be by Mike Lucas on "*Climate change in South Africa, including implications for the Overberg and Still Bay*".

Mike is an Associate Professor in the Dept of Biological Sciences at UCT. He is a member of the International Scientific Committee of Oceanic Research (SCOR) which focuses on promoting international cooperation in planning and conducting oceanographic research. His own research focuses on how climate change affects the marine environment, particularly the Atlantic and Southern Oceans, and how this in turn can affect global climate.

Mike is originally from England so the talk will be in English.

We will again collect membership fees from 09h00 for the period until 31 May 2016 (of R30 p.p., per year but only R 10 if you join on Monday).

#### **Other speakers and topics volunteered for GMs next year are:**

- "A Sub-Antarctic Trip to Bouvet Island" : Wendy Wilson
- "A trip to the stone churches in Eastern Ethiopia": Dave Carter
- "A walking tour of the Historic Harbour area of Stilbaai. Including an opportunity to visit a few of these original houses: Hella Dockel

(Most addresses will be given in part English and part Afrikaans.)
