MAANDELIKSE PRAATJIE

Maandag, 25 April 2022 om 09h30
Die Waenhuis, Jagersbosch, Stilbaai-Wes

Die Wonderlike Sederberge

Derek Odendaal

Derek Odendaal het in die Noord-Vrystaat grootgeword en was van kleins af lief vir stap en verken. Toe hy op KOVSIES gaan studeer, het hy gereeld aan staptogte begin deelneem en ook by die Bergklub van Suid-Afrika aangesluit. Hy het lank in Bloemfontein gewoon en gewerk – in sy vakgebied rekreasie en toerisme. Hy is 'n gekwalifiseerde bergstapleier en toeristegids.

Die Sederberge is bekend vir sy ruwe landskap, besonderse rotsformasies en karaktervolle sederbome. Dis egter ook 'n redelik afgeleë area en daar is maar min teerpaaie wat jou toegang tot hierdie groot berggebied gee.

Derek is 'n ervare stapper wat reeds in verskeie dele van die Sederberge gaan stap het en ook heelwat plekke daar besoek het. Hy gaan meer vertel oor wat die Sederberge alles bied en 'n klomp foto's wys wat van die besonderse landskap en die mooi fynbos-blomme geneem is. Verder sal Derek 'n oorsig gee oor die hele bergreeks, die dorpe rondom, en toeganklikheid. Dan word die noordelike, sentrale en suidelike deel van die bergreeks van nader bekyk, met mooi fotos, bekende plekke en besienswaardighede, staproetes en bergpieke, asook oornagplekke en ander aktiwiteite.

Die praatjie is in Afrikaans en Engels.

MONTHLY TALK

The wonderful Cedar Mountains

Derek Odendaal

Derek Odendaal grew up in the Northern Free State and loved hiking and exploring from an early age. When he went to study at the University of the Free State, he started participating in hiking regularly and also joined the Mountain Club of South Africa. He lived and worked in Bloemfontein for a long time - in his field of recreation and tourism. He is a qualified mountain hiking leader and tourist guide.

The Cedar Mountains are known for its rugged landscape, exceptional rock formations and characterful cedar trees. However, it is also a fairly remote area and there are few tarred roads that give you access to this large mountain area.

Derek is an experienced hiker who has already hiked in various parts of the Cedar Mountains and also visited many places there. He will tell us more about what the Cedar Mountains have to offer and show a lot of photos taken of the special landscapes and the beautiful fynbos flowers. He will give an overview of the entire mountain range, the surrounding towns, and accessibility. Then the northern, central and southern part of the mountain range are looked at more closely, with beautiful photos, famous places and attractions, hiking trails and mountain peaks, as well as overnight places and other activities.

The presentation will be in English and Afrikaans.
