MAANDELIKSE PRAATJIE

Maandag 24 April 2023 @ 10:00
Die Waenhuis, Jagersbosch

FRANKRYK EN SUID-AFRIKA. WYNKWALITEIT EN FAKTORE WAT DIT BEÏNVLOED.

Dr Pieter van Rooyen

Daar is belangrike verskille hoe die Suid Afrikaanse wynbedryf cultivars, bemarking en terroir benader in vergelyking met Frankryk, laasgenoemde wat waarskynlik van die hoogste kwaliteit wyne ter wêreld bemark. Die belangrikste verskille word behandel en daar word aangetoon hoe tradisie 'n belangrike rol speel om prys te bepaal.

Pieter van Rooyen het sy Ph.D (Landbou) by Universiteit Stellenbosch verwerf, en het ook verdere studies in Frankryk en die VSA onderneem. Hy het sy loopbaan begin by Elsenburg Landbou-kollege as navorser, en werk daarna as Assistent- en Adjunk-Direkteur by die Oenologiese en Wynkunde Navorsingsinstituut, as Adjunk-Direkteur by die Vrugte en Vrugtetegnologie Navorsingsinstituut, en as Direkteur by INFRUITEC (Instituut vir Vrugtetegnologie van die Landbou Navorsingsraad). Hy is verantwoordelik vir meer as 30 wetenskaplike publikasies oor grondwetenskap, wynbou, oenologie en vrugte. Pieter was vir 8 jaar Direkteur-generaal van die Wes-Kaapse Departement van Landbou.

Hy geniet spesiale erkenning vir sy belangrike bydraes tot die wynbedryf in Suid-Afrika. Pieter is 'n vaste lid van die Internasionale Wynakademie (een van 80 wêreldwyd) in Geneve, Switserland; hy verteenwoordig Suid-Afrika op die uitvoerende Raad van die Internasionale Wynkommissie in Frankryk. Pieter is ook tot Ridder vereer deur die Boergondiese Wynbedryf by Chateau Clos de Vougeot.

NEWS BULLETIN

APRIL 2023

MONTHLY MEETING

Monday 24 April 2023 @ 10:00
Die Waenhuis, Jagersbosch

FRANCE AND SOUTH AFRICA. WINE QUALITY AND ITS INFLUENCING FACTORS.

Dr Pieter van Rooyen

There are several differences in the way the South African wine industry approaches cultivars, marketing and terroir in comparison with France, the latter reputably marketing some of the highest quality wines in the world. The important differences are discussed and it is shown how tradition plays an important role in determining price.

Pieter van Rooyen obtained his Ph.D (Agriculture) at the University of Stellenbosch, and also undertook further studies in France and the USA. He began his career at Elsenburg Agricultural College as a researcher, and subsequently served as Assistant- and Deputy-Director at the Oenological and Viticultural Research Institute, as Deputy Director of the Fruit and Fruit Technology Institute and Director op INFRUITEC (Institute for Fruit Technology, Agricultural Research Council). He authored more than 30 scientific publications on soil science, viticulture, oenology and fruit. He was Director-General of the Western Cape Department of Agriculture for 8 years.

He enjoys special recognition for his important contribution to the wine industry in South Africa. Pieter is a permanent member of the International Wine Academy (one of 80) in Geneva, Switzerland; and represented South Africa on the executive Board of the International Wine Commission in France. Pieter was honoured as a Knight of the Bourgogne Wine Industry at Chateau Clos de Vougeot.

Pieter sal Afrikaans praat, sy PowerPoint is in Engels.

Pieter will speak in Afrikaans, his PowerPoint is in English.

DEELNAME AAN GROEP AKTIWITEITE

Dit is verblywend om te sien hoe populêr ons groep aktiwiteite is met lede. Maar ons let ook op dat sommige gereelde deelnemers in groepe nie lede van U3A Stilbaai is nie; sommige van hulle dink blykbaar dat die groep is 'n klub onafhanlik van enige ander organisasie.

Groep deelname is beskikbaar slegs vir lede van U3A, as u weet van mense in u groep wat nie lede is nie, vra hulle asseblief om so gou moontlik by U3A Stilbaai aan te sluit. Groepe geniet sekere voordele wat net aan U3A lede beskikbaar is, byv die gratis gebruik van Die Waenhuis vir vergaderings, maar ons kan sulke voordele verloor as nie-lede gereeld hierdie vergaderings bywoon.

Meer belangrik is dat die U3A grondwet vrywaar U3A Stilbaai en byv. groepleiers sou enige lid 'n besering aandoen of skade ly tydens 'n groep byeenkoms, maar hierdie vrywaring is nie van toepassing as die persoon wat die besering of skade aandoen, nie 'n lid is van U3A nie, met die uitsondering van 'n bona fide besoeker aan 'n spesifieke vergadering of byeenkoms ('n bona fide besoeker is 'n gas van 'n lid en sal net aan 'n enkele vergadering of byeenkoms deelneem). Permanente inwoners van Stilbaai kan 'n eenmalige besoeker wees, maar moet by U3A aansluit as hulle wil voortgaan om aan die groep se aktiwiteite deel te neem.

U naamkaartjie is u bewys van lidmaatskap, dra dit asseblief by alle vergaderings, byeenkomstes en ander U3A aktiwiteite. Die kaart word elke jaar op 'n verskillende kleur papier gedruk, hierdie jaar is dit helder geel, die jaar, 2023, is ook op die kaart gedruk.

PARTICIPATION IN GROUP ACTIVITIES

It is pleasing to note how popular many of our group activities are with members. However, we have noticed that some regular participants in groups are not members of U3A Stilbaai; some seem to think that the group is a club independent of any other organisation.

Group participation is available only to the members of U3A, if you do know of persons in your group who are not members, please ask them to join U3A Stilbaai as soon as possible. Groups have certain benefits that are available only to U3A members, for example the free use of Die Waenhuis for meetings, but we may lose such benefits if it is found that non-members regularly participate in these meetings.

More important is that the U3A constitution indemnifies U3A Stilbaai and e.g. group leaders should any member suffer injury or damage during a group gathering, but this indemnity does not apply if the person suffering the injury or damage is not a member of U3A, with the exception of a bona fide visitor for a particular meeting or gathering (a bona fide visitors will be a guest of a member and will only participate for a single meeting or gathering). Permanent residents in Stilbaai can be a once-off visitor, but must join U3A if they want to continue participating in the group's activities.

Your name tag is your proof of membership, please wear this at all meetings, gatherings and other U3A activities. Each year the card is printed on a different colour paper, this year it is bright yellow, and the year, 2023, is printed on the card.

U3A STILBAAI GROEPE

U3A Stilbaai het verskeie groepe wat aktiwiteite vir lede aanbied. Meer inligting oor die groep aktiwiteite is op ons webtuiste: www.u3astilbaai.org.

Onthou asseblief dat die minimum koste vir deelname aan groep aktiwiteite is R5 per vergadering of uitstappie. R4 hiervan kan vir groep uitgawes aangewend word en word opgeskryf in 'n groepfonds, R1 gaan na algemene U3A fondse. (Nota: alle groepe het nie spesiale fondse nie, hierdie groepe se fooie gaan na U3A fondse).

U3A STILBAAI GROUPS

U3A Stilbaai has several groups offering activities to members. More information about the group activities are on our website: www.u3astilbaai.org.

Please remember that the minimum cost of participating in any of the groups, is R5 per meeting or outing. R4 of this is used for group expenses and is recorded in the group's special fund, R1 goes to general U3A funds. (Note: not all groups have special funds, their group fees goes into U3A funds).
